

BADGER CLAW

You'll want to get your claws on it!

- ◆ **TREE REMOVAL**
- ◆ **BRUSH REMOVAL**
- ◆ **FENCE POST REMOVAL**
- ◆ **TIGHTLY STACK PILES**
- ◆ **SURFACE GRADING**
- ◆ **TRANSPORT HAYBALES**
- ◆ **ELIMINATE TREE RE-GROWTH AND DANGEROUS STUMPS**
- ◆ **FILL-IN DEEP DITCHES**
- ◆ **TRANSPORT IRREGULAR-SHAPED OBJECTS**

The BadgerClaw is unlike any other grapple you've ever seen! It features a 3-point system that allows a range of 180 degree mobility. You can perform more tasks than ever imaginable! With dual-independent claws that are self-leveling, the BadgerClaw gives you the flexibility to SAFELY control various diameter targets. Transport various materials with ease!

Completely remove trees (including the root wad) in mere SECONDS! Shake off any excess soil, tightly stack your burn pile, then backfill your tree hole with the grader blades.

THE VERSATILITY WILL AMAZE YOU!
