# DEPTH OF CUT ADJUSTERS

**FIT YOUR THATCH-AWAY SUPA SYSTEM!**

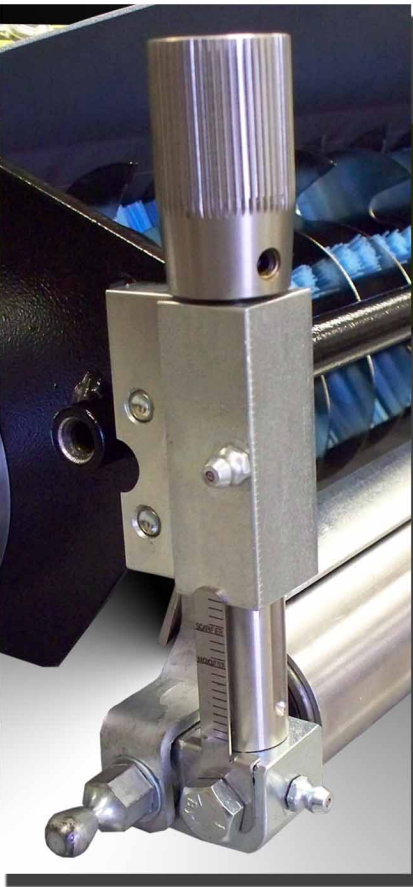

Purchase the True-Surface® Depth of Cut Adjustment Brackets to adjust your depth of cut without using a setting bar.

**NO TOOLS NEEDED!**

Leave your tools in the maintenance area! A few simple clicks is all it takes to adjust your system's blades to the desired depth of cut!

**PURCHASE A SET OF 6 FOR ONLY \$693.09**

*Or contact your local dealer for their set pricing.*

## EASY-TO-USE DEPTH GAUGE

*True-Surface® makes adjusting your depth of cut even easier with the revolutionary Depth of Cut Sight Gauge. Using the gauge guarantees a precise setting and an even cut every time!*

*You will feel and hear the clicks as you turn the knob. Each click equals .010 of an inch. Verify your adjustment by using the site gauge to show exactly which setting you are set on.*

**Contact Turflite, Inc. or your local True-Surface® dealer to purchase yours today!**
